POLYROOF 185 ROOFING SYSTEM

Polyroof 185 is an exclusive, polyester roofing system that is maintenance free, and is guaranteed for 20 years with insurance backing and comes with an independent 30 year durability rating. It far outlasts traditional roof coverings and has significant advantages over alternative systems, whilst providing an aesthetically pleasing finish to complement any home.

Polyroof 185 is a complete roof replacement. It involves adding insulation where needed, fitting a new roof deck, and a high quality, tough, seamless waterproof membrane.

PROTEC ROOFING SYSTEM

Protec is a unique and versatile roofing system that has been designed to rejuvenate or replace your flat roof membrane. Its advanced technology allows the system to be applied directly to all common flat roof coverings, minimising disruption and reducing costs.

Protec is available with a 10 year warranty, which makes it a cost effective alternative to traditional roof coverings. The system can also be supplied with a 20 year insurance backed guarantee subject to survey by a Polyroof approved contractor.
